

## Cottered Village Photo Trail

This is a short trail following pavements and footpaths.

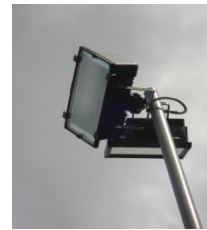

Walk out of County Guide Centre and turn right and walk along grass, then pavements, looking for features on or around buildings: such as building names or decorations and garden furniture, gates, weather vanes, etc.

Carefully cross the road at the 2<sup>nd</sup> turning on the left by the interesting Town House, and then go into the Churchyard. Coming out of the churchyard at the bottom gate walk down towards crossroad. Taking care, go straight across at the crossroad,

At the footpath signs turn left into the fields and follow footpath along the top of the field with the hedge on your left. Continue in the same direction through 2 more gates until you reach a gate on the left. Go through that gate, and immediately turn right through another gate into the playing fields. (Photo clue - two gates)

Follow the footpath, looking out for other photo clues, cross a small road, and keep walking in the same direction beside the back gardens of houses (photo clue - weather vane). When you come to the road, turn left and walk until you reach the main road. Turn left and walk past the houses, telephone and post box.

Taking care, cross the main road opposite the Rectory (photo clue) and walk along the pavement back to the County Guide Centre.
